

TO: *Prehospital Care Providers*

FROM: *Scott Wander, Director
Office of Prehospital Care*

DATE: *January 22, 2010*

SUBJECT: *PCR Distribution*

I am pleased to announce that the Office of Prehospital Care received a small shipment of Prehospital Care Reports (PCRs) this morning. We have been informed that on-going printing will resume and our future PCR orders will be filled without delay.

At this point, we will begin to distribute PCRs first to transporting EMS agencies and secondly to ALS First Response (ALS FR) agencies. BLS FRs will continue to receive BLS FR forms. EMS agencies that are completely out of PCRs will receive priority when filling order requests.

Please contact the Office of Prehospital Care at (716) 898-3600 to place your PCR order request.

Office of Prehospital Care Mission Statement:

"To ensure that the residents of the Western New York community receive the highest quality out-of-hospital care available through medical oversight, provider education and training, information dissemination and continuous quality improvement activities."
